To the best of my knowledge, I have truthfully and completely answered the above questions. I agree to pay all charges and copays at the time of service and, should I pay with a bounced check, agree to pay the insufficient funds fee, as determined by the bank. I also understand that I must give a minimum of 24-hours notice to cancel my appointment time and that failure to do so will result in charges being made for the time reserved. While I may receive a reminder call in the days prior to my appointment, in the event that I do not receive this courtesy, I understand that I am still responsible for remembering my appointment time.
